

CYCLE	XXXVIII
STUDENT	HIBA CHEBLI
TUTOR	Francesco Fornarelli
CO-TUTOR	Nicola Bellantuono

CURRICULUM	1 Sustainable Agriculture, Natural Resources and Biodiversity
PROVISIONAL TITLE of the RESEARCH PROJECT	Sustainable desalination technologies
DOCTORAL SCHOLARSHIP	DM 352 Simeone
SHORT CV	2022-Present: PhD student in Biotechnology and Smart Practices for Sustainable Management and Natural Resources, Food and Agriculture, <i>University of Foggia, Italy</i> 2020-2022: Master of Science in Science in Sustainable Water and Land Management in Agriculture, <i>CIHEAM Bari, Italy</i> 2015-2020: Rural Engineering degree, <i>Hassan II Institute of Agronomy and Veterinary Medicine, Rabat, Morocco</i>. 05/2025-08/2025: Visiting Research Student at Plataforma Solar di Almeria, <i>Spain</i>. 08/2024-01/2025: Visiting Research Student at the University of Birmingham, <i>United Kingdom</i>.
